COUNSELING OF MEN WITH THE POSSIBILITY OF ACCOMMODATION AND PREVENTION

Goal of the project is as follows:

- Crisis intervention, de-escalation, prevention/guidance and interruption to restrain the effects and consequences of violence
- Immediate or/and preventive care and guidance after a restraining order, or after the threat or act of violence
- Assistance in personal development and psychological stabilization in order to prevent and avoid further violence

Target group:

- Men with an immigrant- or Men who seek asylum or immigrate to Austria with an experience of violence
- Men with a restraining order and/or without an accommodation on their own
- Men starting with the age of 18 who have an experience in violence and for whom a preventive measure has been recommended
- Counseling of men for the purpose of prevention and exchange

Admittance and accommodation

- Admission in the men's house after a restraining order
- Temporary residence of 14 days up to 6 months
- Precondition:
 - willingness to work on himself and to change deconstructive behaviour
